

Transaction & Valuation

MAXIMISING THE VALUE IN YOUR BUSINESS

Advising and supporting you every step of the way

It takes different steps to reach your goal. Whether your company is looking to raise development capital, make an acquisition, form a strategic alliance or release funds through a sale or restructuring, our transaction and valuation advisory specialists can help you maximise your returns by advising and supporting you every step of the way.

We provide practical advice on the full range of corporate finance, lead advisory and transaction support services - from pre-deal evaluation through to completion and post-deal integration or separation. Beyond Moore Hong Kong, our global network of offices positions us to offer in-depth local knowledge and to advise with equal confidence when assistance is needed on complex international or cross-border issues.

Moore Transaction Services team works closely with you to understand your needs and to develop bespoke solutions to complex issues. We are experienced in performing financial & operation due diligence and valuing different businesses, financial instruments and assets across a broad range of industry sectors, including natural resources, information technology, biological assets, financial services, manufacturing, retail, and real estate properties. We draw on our extensive sector knowledge to identify the correct approach to fit your needs.

At Moore, our goal is not just to meet but to exceed your client expectations. We endeavour back up board's decisions and perform valuations of high quality with supportable assumptions and rationales, and encourage communication and interaction with clients and other parties such as auditors, lawyers, regulators (such as SFC of Hong Kong) and the stock exchanges (HKEX).

How we can help
